

Loan Bank Approval Project

Author: Abdullah Sharaf

This project predicts bank loan approval using machine learning.

Sections:

- Data Analysis
- Data Visualization
- Data Preparation
- Deep Learning Model
- Model Training and Evaluation

Project Overview

3.DATA ANALYSIS

4.DATA VISUALIZATION

5.DATA BEFORE TRAINING THE MODEL

6 SIMPLE MULTI LAYER NEURAL NETWORK MODEL

7 COMPILE AND TRAIN DEEP LEARNING MODEL

8 ASSESS THE PERFORMANCE OF THE TRAINED MODEL
